**Body** Hey man. We don't know each other, but me and your wife do. We got together a couple summers back and she took some videos of

us that she said she was sending to you while you were at work. I ended up going out of the country the week after me and her got together and got a new phone and lost the videos that she had sent to me of me and her. All I have left are 3 Videos of her giving me head. I was wondering if y'all still had the rest of the videos of us? And I would send you the ones I have if you didn't still already have them.

**Body** I don't know that I want to make plans for anything because i'm not big on going out lately and don't want to be flaky and end up ditching. But i have been wanting to go sing karaoke sometime soon.. so how about if and when I do that, I'll message you and maybe we can catch up then?

**Sent** 2020-03-13 07:09:29 UTC

**Body** Are you just not wanting to go out to a bar or somewhere much? You could just come over and hang out here then. And when you wanna go do karaoke we can meet up then, too

**Author** Linnea Loree (Facebook: 1345159518)

**Sent** 2020-03-13 07:55:07 UTC

**Body** It's an any where thing. Not just bars. I've just had a lot of things going on in the last couple weeks and to be quite honest I'm exhausted. I had a friend in the ICU for several weeks and was up there for basically 18 hours a day every day and now I have a family member on mom side who is probably about to die and i just know myself well enough by now to know that when dealing with everything becomes a bit much.. i end up needing a few weeks of decompression. And the way i usually do that is by staying home
